BALUSTERS

ALUMINUM BALUSTER LIST PRICE CATALOG

WWW.SOLUTIONSALUMINUM.COM

Each Solutions Baluster has a beautiful low gloss satin AAMA-2603 powder coated finish and is covered by a *Limited Lifetime Warranty*.

Offered in multiple colors to complement any rail project

For use with wood, composite or vinyl railing

Eliminates the twisting and cracking concerns of traditional wood balusters

Numerous accessories to customize the look of your baluster selection

The average railing section has 3 times more baluster footage than railing – selecting Solutions balusters can reduce your railing maintenance investment by nearly 75%

Solutions balusters accent your project while maintaining the traditional warm look of your wood railing choice

Typical aluminum baluster count is 3 per linear foot

Installation is easily accomplished with standard household tools

Solutions balusters and accessories are offered in retail and contractor friendly packaging in convenient job quantities

Required screws and hardware included

Additional installation hardware available

Powder Coated baluster ends for added protection and elimination of exposed aluminum
No need for a washered baluster connection

HIGH STYLE, MODESTLY PRICED ALUMINUM BALUSTERS

Solutions aluminum balusters are manufactured from quality aluminum with a high performance powder coated finish. Keep the traditional look of wood but save time with these stylish balusters that define the beauty and look of your project and rail choice with the **lasting durability of aluminum.**
