for tomorrow's world*

Custom Colors

Does your project require a unique finish or bolder color than our popular and standard offering of Black, White or Bronze?*

Solutions Aluminum Rail offers a special order Custom Color Program produced to the same AAMA-2604 powder coat specification that carries our 15 Year Warranty. Each Custom Color request is produced as a special order batch run at the time of order. Special order batch runs require a minimum order size of \$20,000 List Price, based on stock color pricing and will require extended lead time on shipments from our factory. Contact your Solutions sales representative to obtain specific pricing for your project or to see if your project qualifies for additional custom color matching.

HIGH STYLE, MODESTLY PRICED ALUMINUM RAIL SYSTEM
Solutions aluminum railing systems are perfect for home construction or commercial applications. Designed with a unique sculpted top rail and softened radial corners, Solutions pairs the beauty and stylish look of traditional wood designs with the durable **low maintenance properties of metal.**
